The Takeover Base is in the dyslexia service room (old meeting room). That's the place to go if you need Sarah or Jack (the Takeover assistant).

The craft materials are also in this room – Diane will be allocating these and you should have something by Monday lunchtime.

**FLEXIBILITY:** If you complete something quickly or need longer, feel free to move your schedule around for the class room time. The workshop/performance/assembly times are fixed but lesson plans, bunting making etc can be rearranged to suit.

See separate sheet on Creative Evidencing.
